

2 SEPARATE FACTS ACCOUNTS:

- FACTS TUITION PAYMENT MANAGEMENT PROGRAM

FACTS is the payment plan provider most widely used by private, faith-based schools nationwide. You must have a checking or savings account with a bank or credit union to open your FACTS account. All student tuition is to be paid through FACTS. Tuition is deducted from your bank account and directly deposited to St. James School. No one, including the school, will have access to your account. There is a one-time enrollment fee of about \$40.00. Payments are deducted on the 5th or the 20th of each month. If you prefer smaller payments, you can set your account up for payments on the 5th *AND* the 20th. The payment period is from July through May. To take advantage of the lowest monthly payment amount, you must open your account before July 1st, 2017. To open your new FACTS account, click [here](#) and follow the prompts.

- FACTS GRANT & AID (Financial assistance)

Previously PSAS, FACTS has taken over the processing and managing of tuition assistance for St. James. The application process is now paperless beginning in 2017. The one, on-line application (along with uploaded supporting documents) will be considered for all grants and awards. **Please be aware that *ONLY* on-line applications will be considered.** Click [here](#) for on-line application.
