Principal Jeff Purichia

Dear Parents,

Hello all! May is here and hang on! Get your last gasp of air this weekend because come Monday, the rollercoaster ride begins! Three big events next week: River Bats game on Wednesday for the House winners, Thursday- May Crowning, and Friday- Field Day. I have already let the kids know that St. Rose was our House winner and those students will be getting a field trip permission slip for the ball game today. Please return those on Monday.

For those of you who were not able to attend our Gala last Saturday, it was a huge success! We are still working our way out of the cleanup and still counting money, but we feel we did very well, and a great time was had by all. There have been several pictures posted on the school Facebook page so check those out.

Lastly, I hope all of you have a great Derby weekend (keep that rain away!), and I hope all of you pick the right pony!

Yours in Christ,

Jeff Purichia  
Principal

*Thank  
You*

Many thanks for everyone that was involved with our 2<sup>nd</sup> annual Gala. From the people that took raffle chances, wonderful donors and our OUTSTANDING volunteers without everyone being involved it would not have been such a GREAT event!

SKATING

FUN

Our final skating party of the year on May 9th from 6:30 to 8pm. There will be a fundraiser at Angio's Italian Restaurant 3731 Bardstown Rd, Louisville, KY 40218 that night too! So grab a bite to eat before putting on your skates or parents hang out and eat while your kids are skating!

DELICIOUS

PIZZA

Just mention St. James School so we can get credit!

When ordering just tell your waiter/waitress you are with St. James

## PTO Meeting

The last PTO meeting for the remainder of the year will be 5-17. We are looking for new volunteers to join the PTO during the 2017/2018 school year. Elections and new member welcoming will be held No experience needed, just a good caring attitude for our school and students. Come one come all.

Congratulations to St. James Church parishioner Patrick Jones, who celebrated attaining Eagle Scout status last month. Patrick, a 2013 graduate of St. James School and graduating senior at St. X, is a member of St. Paul United Methodist Troop 40. His Eagle Scout project centered on planning and implementing a much-needed landscaping project at Highlands Community Ministries Campus at Barrett and Breckinridge Streets. Thank you, Patrick, and your parish community is proud of you!

Dear St. James Family,

By now, you have received the letter from Mr. Purichia stating that he has accepted a position at Our Lady of Providence High School in Clarksville, Indiana. While I am sorry that he will be leaving St. James, I greatly appreciate his leadership and commitment to our wonderful school, and I wish him abundant blessings and success in the next phase of his career.

At the same time, I want to assure you of the viability of St. James School – as our signs clearly state, we are open and enrolling students for the upcoming year! And we are continuing our efforts to promote St. James School in our neighborhood and the surrounding communities.

I have already assembled a search committee for the new principal. The committee will be chaired by Ken Rosenbaum, and the committee members are Sr. Catherine Mahady, Lourdes Halliday, Julie Meiman and Mary Pat Nimon. I have personally selected these individuals because I trust their judgment and respect their expertise in school administration and elementary and middle school education. All five are dedicated parish members who I know will work tirelessly to ensure that the new principal is the optimum fit for our school. We have a unique and richly diverse culture at St. James that we will continue to preserve and enhance.

I have told the search committee that the most important quality we are looking for in a candidate for principal is their proven and personal commitment to the care and protection of our children. I know you entrust your most precious gift - your children - to us, and we take their education and formation as citizens and disciples very seriously.

The committee will keep the school community informed at every step of the search, and communication will be open, clear, and abundant. Please know that you have a voice in this process, and I encourage you to contact any of the committee members and me, at any time, with questions or concerns. Your confidence and support will go a long way in facilitating the search process and the results.

We will have a school family meeting next Monday, May 8<sup>th</sup>, at 6:30 pm, in the school auditorium, where I will speak more about our next steps and answer your questions. In the meantime, I hope you will join me in praying for Mr. Purichia and the St. James community as we embrace our future with confidence and faith in God.

Yours in Christ,

Fr. Gary Padgett
